Why Attend

When Risk, Audit and Control speak
the same language, Zero Fault isn't
a dream - it's your new **Standard**

Invest
ksh. **89,950/-**

Together we will:

- Harness interdependence of IRM, RBA, & ZFA to achieve Zero Fault Performance.
- Translate enterprise risk data into targeted, high-value audit plans.
- Build dynamic feedback loops that align risk registers, audit scopes & controls
- Apply practical tools to eliminate recurring audit findings.
- Measure the cultural and operational impact of this integrated approach.
